# Save Our Souls

Hungaria  
Anno Domini...

Attendite a falsis prophetis, qui veniunt ad vos in vestimentis ovium, intrinsecus autem sunt lupi rapaces. A fructibus eorum cognoscetis eos; numquid colligunt de spinis uvas aut de tribulis fucus? [Matt. 7,15-16]

We are Hungarian Catholic NGOs. We have never used either old National Civil Fund or new fashion, orbanian National Cooperation Fund support, 1% tax offer or any other state aid; we have never received and not even asked anything from the government. We are not supported by George Soros, nor have we ever had any foreign or domestic supporter.

There is also a slight chance that the government of Hungary will ever support us. However, our money is almost gone. But we persevere.

Please, if you can, support us. (Click here: ↓)
